What Happens Next?

When your DNA comes back from the MyHappyGenes® Lab it will be loaded to your personal account automatically and both you and our office will be notified. Note that you will automatically be given Complimentary access to the MyHappyGenes® Mood and Personality Report so that you can start learning more about you right away!

At that time we will reach out to you to schedule a time to review the advanced analysis of your results available only through us as a MyHappyGenes® Practitioners.

We look forward to providing you with a custom diet, lifestyle, and supplementation program designed just for you based on your genetics and your current state of health.

To your health and happiness!
